COMMENTS (From Original Addressee)

FOLD HERE

TO : LEGISLATIVE COUNSEL
OFFICE OF GENERAL COUNSEL

FROM:

Director of Logistics

1. No comments are offered with respect to this bill; however, as provided in the bill, it will be necessary for Central Intelligence to obtain specific exemption to its provisions.

2. The Agency stocks material procured from GSA, Army, Navy, and Air Force, as well as special items peculiar alone to the Agency procured from covert sources. Because of the variety of stocks carried which have been obtained from various sources, security considerations dictate that CIA must independently select the most secure channel with which to effect proper disposal actions.
